<b>May 2019 (expected)</b>	<b>B. Tech, Information Technology</b> ; Oklahoma State University Institute of Technology
<b>December 2017</b>	<b>AS, Computer Science</b> ; Oklahoma State University Institute of Technology <b>Magna Cum Laude</b>

## Work Experience

<b>Customer Service Current Position</b>	T-Mobile, Family Video, Front Desk Attendant - Oklahoma State University Institute of Technology, September 2017 - Present
--	---

## Technical Skills

<b>Programming Languages Tools Used</b>	C#, HTML/CSS, L <sup>A</sup> T <sub>E</sub> X, Python, SQL (SQL Server dialect) Bash, GIMP, Git, Github
<b>Methodologies Development Environments</b>	Interactive Programming, Object-Oriented Programming Command-Line Interfaces, Emacs Editor, Linux (Arch, Debian/Ubuntu), Visual Studio

## Projects

<b>Linux Administration</b>	I've used Linux for ~7 years full-time, and in that time have deployed home theater systems, local servers, and sustained hardware using lightweight variants of Linux.
<b>Python</b>	I use Python for as much as I can for what I want to do for scripting, from working in Ren'Py as gifts to data analysis with the NumPy stack.
<b>Side Projects</b>	Actively contributing to/working on multiple code projects, including: <ul style="list-style-type: none"><li>github-white-noise (Javascript)</li><li>numix-solarized-gtk-theme (Python/CSS)</li></ul> <p>Promoting data driven methodologies within the school system. I made my job as a desk attendant at OSUIT's Residential Life department a project in digitizing their workflow to increase the department's understanding of the student body, like converting paper forms to Google Forms format for easy-to-interpret results.</p>
